(1) Proceedings of the last meeting dated 21st January 1895.

(2) Government Proceedings No. 14545—L. F. 227—93, dated 14th March 1895, directing that no proposal to debit the cost of works indefinitely to general savings of the Budget can be entertained, and that a supplemental Budget should be submitted for such of the works as are not provided in the Budget if the funds required cannot be appropriated by means of transfers from one head to the other.

(3) Government Proceedings No. 12760-62—L. F. 337-92, dated 20th February 1895, sanctioning two scholarships of Rs. 10 each to two pupils to be trained as midwives for the Sub-Taluks of Srinivaspur and Gudibanda.

(4) Government Proceedings No. 12127-35—L. F. 129-94, dated 13th February 1895, requesting the Presidents of Municipalities and District Fund Boards to send all estimates for original works costing Rs. 200 and upwards proposed to be executed in the Revenue Department, to the Executive Engineers, and obtain their approval or remarks before submitting them to Government for sanction.

(5) Chief Engineer's Circular No. 17, dated 12th March 1895, forwarding copy of his letter No. 1092 of the same date, to the address of the Deputy Commissioner of the Bangalore District, requesting him to impress upon the Local Fund Board his view that local cross roads should not be multiplied unless the local necessity for them has been clearly established, on the ground that their up-keep in the future will be difficult and will eventually become a burden on the Local Funds.

(6) Government Proceedings No. 15813—L. F. 152-94, dated 29th March 1895, observing that until a sufficient scheme is matured no action can be taken for the supply of qualified veterinarians for the treatment of cattle diseases.

(7) Government Proceedings No. 16720-9— L. F. 25-94, dated 9th April 1895, observing that it is opposed to the standing orders that any expenditure should be met out of the general balance and that a re-appropriation statement or a supplemental Budget providing for the charge should be submitted.
